WELL STOCKED LIBRARY

Library of an institution is a treasure house of authentic and valuable information that supports the educational and research needs. It serves relentlessly the cause of enhancement of quality of education. The knowledge bank is excellently furnished with neatly stacked books related to course study, supplementary reading, general and personality development etc. Library subscribes to national and international journals, periodicals, magazines on current affairs and general interest and national and regional dailies.

HOSTEL FACILITY

We have separate hostels that cater to boys and girls. The hotels are equipped with several amenities like indoor games, reading rooms, recreation rooms etc. These facilities are governed by the hostel council. The hostels also have resident deputy wardens who ensure the welfare of the students while they are in the college campus. Hostel staff as well as the teaching staff on campus is there for students in the case of an unforeseen exigency of or simply a query. PG facility too, is available separately for boys & girls.

CANTEEN

Most people fondly remember their college canteen as one of their life's high points. Longowal Polytechnic College has a spacious, clean & hygienic canteen dishing out menus that are highly popular with students. Students enjoy their food in the aesthetic and appetising atmosphere. The canteen is the lifeblood of the students. For students and teachers alike, the canteen is a welcome break from the routine of lessons. The homely atmosphere & aroma of delicious food permeates the air as they eat, drink & chat.
