LONGOWAL GROUP OF COLLEGES

A SOLID FOUNDATION

Longowal Group of Colleges is not only the locus of education in Punjab, but has acquired the potential of being a lodestone for students from all over India. The college laid its foundation stone in 1986 at Dera Bassi and since then it has elevated to the region's top educational forum. It won't be exaggeration to say that the college has preened itself into one of the most prestigious institutions in the education domain. 37 years of inspiring legacy of Late Shri B.B. Katyal, the founder, the visionary and dedicated educationist is well preserved here. The college boasts of amaze balls infrastructure that entwines

magnificent buildings, sprawling and virid lawns, well equipped and updated labs and library, well furnished and home- like hostels for both boys and girls and so on so forth.

The able and devout faculty is duly committed to the students needs and requirements. They are accessible round the clock in both offline and online mode. Curriculum encompasses sports and social activities as well which leads to multifaceted development of the child. The pass outs from LGCs are readily absorbed by eminent organizations.

JOURNEY OF THOUSAND MILES STARTS WITH A SINGLE STEP !

COMPUTER APPLICATIONS

With the advancement in technology and the advent of computers we have broken the hoary practice of leaning on conventional methods of not only numerical calculations but a much broader array of other services and functions. Today computers are of sweeping significance in our personal as well as professional lives. Longowal group of colleges is one of the most eminent and weighty institutions in rendering outstanding computer courses.
